

AMENDMENTS TO THE CLAIMS

This listing will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently amended) A method of preparing an ~~aqueous extract of~~ saponins from butter cake meal from a Shea Butter Tree (*Butyrospermum parkii*) ~~comprising saponins and said method~~ comprising the following steps:
- (i) mixing one part by weight of butter cake meal with 4-30 parts by weight of water;
  - (ii) incubating the mixture formed in step (i) under alkaline conditions (pH > 7); and
  - (iii) ~~recovering an aqueous extract comprising saponins~~ by removing solids from the alkaline mixture formed in step (ii) to yield an extract containing saponins.
2. (Original) A method according to claim 1, wherein the alkaline conditions are obtained by addition of an alkali in the form of a base and/or an alkaline buffer.
3. (Cancelled).
4. (Previously presented) A method according to claim 1, wherein the incubation in step (ii) is performed at a pH of 7-14, preferably 7-10.
